

TUITIONPAYDIRECT™

FROM ONCARE™ SERVICES

Tuition PayDirect™ from OnCare™ Services provides child care professionals and their families a secure, affordable, online credit card/debit card and bank draft solution.

Why Providers Choose Tuition PayDirect

- Increase enrollment by attracting families that pay with credit cards or simply like the flexibility of online payments
- Reduce cost of credit card transactions
- Improve cash flow and payment consistency
- Lower risks associated with processing payments in the center
- Decrease time spent collecting payments
- Increase provider's value in the minds of families

What to Expect

- Easy integration with an existing website
- A simple, secure interface for families
- Convenient payment options — one time and recurring
- Immediate access to current information via the Internet
- More time to focus on the families you serve

Getting Started

An OnCare consultant will make it easy. To offer your families the convenience of online tuition and child care expense payments, contact us today.
